### **Training.**

Apprenticeship Maryland has registered apprenticeships in many occupations. From Carpenter to Firefighter to Medical Assistant, there are hundreds of opportunities for you to “earn while you learn.” Take the first steps towards your new career!

1. Research possible occupations by visiting our website to download the complete list of registered apprenticeships in Maryland or by contacting an Apprenticeship Navigator.
2. Contact a potential employer. You will work with the program sponsor to learn about the individual application requirements.
3. Sign and file an Apprenticeship Agreement with your program sponsor.

### **What Apprentices are Saying...**

“Apprenticeship allows you to be in the driver’s seat of your career and do what you want to do.”

“Not only did I benefit from my Apprenticeship in terms of new skills and salary, but it also gave me the confidence to start my own business.”

“When I graduated I wasn’t sure about college. I opted for an Apprenticeship and have never looked back.”

### **Changing.**

**Apprenticeships are jobs.** Today’s leading industries demand highly skilled, highly trained workers to ensure they are competing locally and globally.

Apprenticeships prepare you for leadership positions and provide you with the skills to start your own business.

### **Earning.**

#### **Did you know that Apprentices**

- Earn higher wages and more lucrative benefit packages than employees entering the workforce from traditional educational programs.
- Retain versatile credentials recognized nationally and globally
- Graduate from college debt-free

Depending on years of experience, construction workers can earn up to \$92,000 a year
